

Soap dispenser Tradition

Soap dispenser Tradition

The robustly designed soap dispenser Tradition has a capacity of 750 ml and can be locked. The soap dispenser is leak-proof. The transparent reservoir clearly shows when the dispenser needs topping up. Sufficient soap is then present in the reservoir for about a further 100 doses.

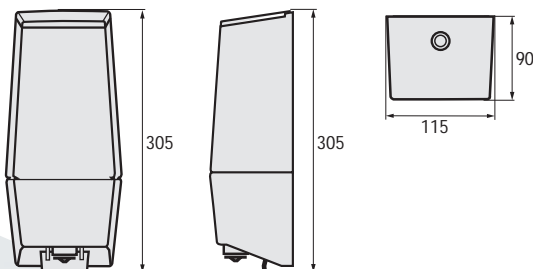

- Continuous system
- Capacity of up to about 1700 doses
- Can be topped up after 100 doses
- Refill can be changed quickly and easily
- Unique vacuum system prevents dripping
- Clearly visible supply level in the reservoir
- Can be opened and closed with the universal Tradition key
- Dispenser is easy to clean
