

Foam soap dispenser Vision

Foam soap dispenser Vision

The elegantly designed foam soap dispenser Vision has a capacity of 500 ml of foam soap and is leak-proof. The supply indicator window shows when the bottle is empty. The reservoir then holds sufficient foam soap for about a further 100 doses.

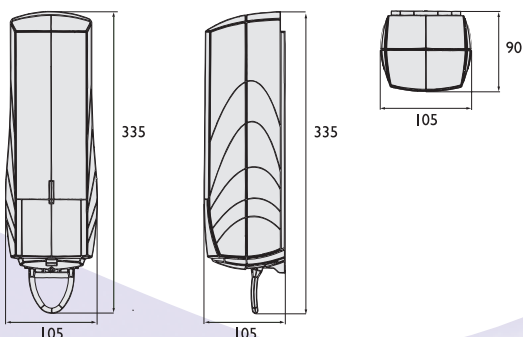

- Continuous system
- Capacity of up to about 1100 doses
- Can be topped up after 100 doses
- Refill can be changed quickly and easily
- Unique vacuum system prevents dripping
- Supply indicator window
- Can be opened with the universal Vision key
- Dispenser is easy to clean

Filling of the foam soap dispenser
