

Sanitary disposal bin

- 🐟 **Hygienic and failure-free operation using a foot pedal**
- 🐟 **Neutralisation of smells through special absorption pellets**

Having a hygienic and representative solution for disposal of sanitary towels and tampons in your toilet facilities is important to your female guests. Special absorption pellets, impregnated with perfume, neutralise unpleasant smells, ensuring that your toilet facilities smell fresh. Another characteristic of the pellets is that they absorb any moisture.

- Attractive design available in three colours.
- Convenient for cleaners, thanks to the wall mount
- Failure-free
- No electricity or batteries required
- Mechanical operation with a foot pedal
- Convenient, wide opening that prevents people from looking in
- 20-litre capacity
- Optional: matching sanitary towel bag holder available

Create your Sanitary disposal bin in 2 steps

1

Pick your colour

Which colour do you prefer? The Alpine White and Metal version and the sophisticated Black Vision version of the IQ sanitary towel container are deliverable from stock.

- Alpine White Metal
 Black Vision

2

Choose the replacement frequency

Which frequency suits you? Ask your account-manager for the right frequency of the replacement of your sanitary disposal bin.
