With the Vendor sanitary bag dispenser, you offer your female guests a hygienic solution for disposing of their sanitary towels or tampons. The risk of your toilets getting clogged is decreased considerably if you provide sanitary towel bags, along with a mini-wall container or sanitary disposal bin. In addition, the special leak-free paper prevents unhygienic traces on the inside and outside of your sanitary disposal bin or mini-wall container. The large capacity of the holder ensures that there are always sufficient sanitary bags available.
