

Door air freshener

- 🐟 Self-adjusting spray direction
- 🐟 Runs without batteries
- 🐟 No waste

With the door air freshener you can give each washroom area a delicious fresh fragrance when necessary. Each time the door closes, the Door Air Freshener releases a pleasant smelling spray. The stock window allows you to see exactly when the air freshener needs refilling, allowing you to quickly and easily refill the air freshener. With each refill, the air freshener can release 2,600 fresh sprays.

- Available in any desired colour
- Easy to mount on the door
- Choice of two fragrances
