

## IQ Hand Towel Dispenser

- 🐟 **Always a towel available**
- 🐟 **Quick and simple to refill and top up, leaving maximum time for cleaning.**
- 🐟 **No waste bin required: used material is rolled up in a compact roll.**

The IQ Hand Towel Dispenser ensures that everyone visiting the toilet has a clean towel available. This includes well-travelled rooms that get a lot of traffic in a short period of time. It is quick, simple to refill and top up, using the patented Easy Load top-up system, which leaves maximum time for cleaning. Used material is rolled up in a compact roll and is stored in a separate compartment of the dispenser. This keeps the sanitary facilities tidy. Used material is efficiently disposed of. This makes it indispensable in high traffic locations. In addition, Vendor offers the IQ Towel Dispenser in combination with our excellent service. This means that our service providers deliver the stock of contents to your warehouse or supply cupboard, so that you do not have to worry about them.

- Large hand-drying capacity
- Continuous (roll) system
- Optical stock indication window
- Low-noise
- Can be topped up: prevents guests from missing out
- Hygienic
- Paper cassette has a high level of absorption

## Create your IQ dispenser in 3 steps

Vision

Tradition

1

### Pick your model

Which model appeals to you most? The timeless elegance of the Vision model or the robust look of the Tradition model?

2

### Pick your type

Which type meets your needs best? You can choose between manual (Classic) operation and No-Touch\* operation of the dispenser.

3

### Pick your colour

Which colour do you prefer? The Alpine White and Metal version of both models are deliverable from stock. Are you attracted to the sophisticated Black Vision? The Vision model is deliverable from stock. In addition, the IQ Towel Dispenser comes in every desired RAL colour.\*\*

Alpine White

Metal

Black Vision

Colours

\* No-Touch operation only available for the Vision model.

\*\* Please ask your contact person about the options and conditions
