

Horizontal Toilet Roll Dispenser

- 🐟 **Controlled delivery thanks to brake mechanism**
- 🐟 **Continuous system with two toilet rolls**
- 🐟 **Empty roll is stored in the dispenser, keeping waste off the floor.**

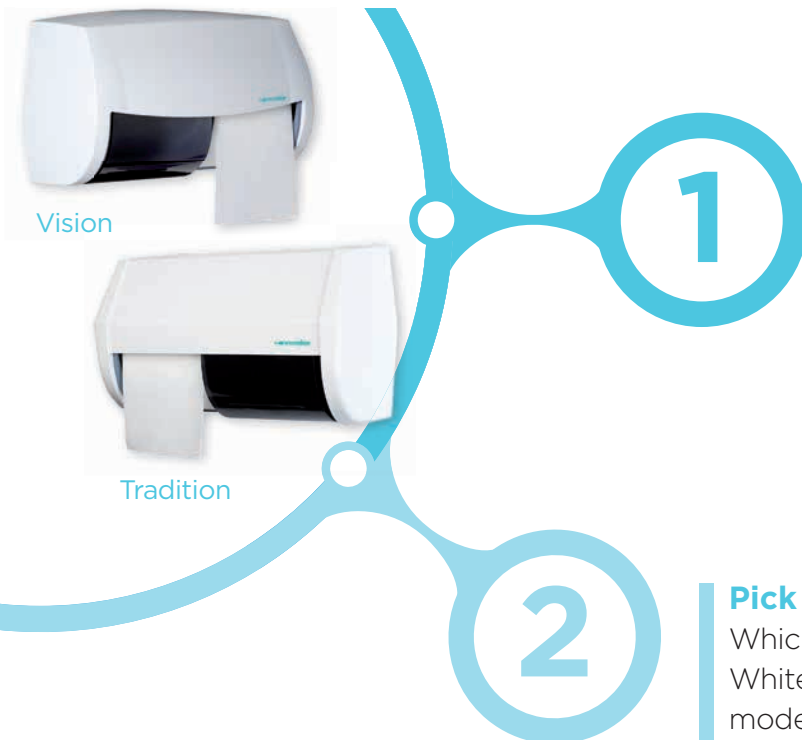

With a joint capacity of 200 to 300 meters, the rolls fill the dispenser, so every guest always has sufficient toilet paper available. The dispenser can be quickly and easily topped up as soon as the first roll is used up. Vendor offers the horizontal toilet roll dispenser in combination with our excellent service. Our service providers will deliver the stock of toilet rolls to your warehouse or supply cupboard, so that you do not have to worry about them.

- Capacity of 200 to 300 meters
- Rolls without inserts
- Perforated toilet paper
- Water-soluble paper
- Easy to maintain
- Robust
- Lockable
- Can be refilled and topped up
- 100% Recyclable plastic

Create your horizontal toilet roll dispenser in 2 steps

Pick your model

Which model appeals to you most? The horizontal toilet roll dispenser is available in the Vision model, which offers timeless elegance for your sanitary facilities, and the Tradition model, which offers robust design with a wide range of options for the promotion of your message.

Pick your colour

Which colour do you prefer? The Alpine White, Metal and Colours versions of both models are deliverable from stock. This means that the dispenser is available in every desired RAL colour*. The sophisticated Black Vision version of the Vision model is deliverable from stock as well.

- Alpine White
- Metal
- Black Vision
- Colours
