

Folded Towel Dispenser

- 🐟 For use in your pantry, kitchen, laboratory or sanitary facilities
- 🐟 Hygienic to use
- 🐟 Lockable

The Vendor folded towel dispenser is designed for paper towels that are folded in a zig-zag fold, double fold (Z) and C fold. Simply tugging on the towel provides the user with a personal portion of paper. The folded towel dispenser can be used in a multitude of settings, such as kitchens, hospital rooms and sanitary facilities.

- Optical stock indicator
- Easy to maintain
- Can be refilled and topped up
- Available separately: matching waste bin
- Separate paper towels
- 100% Recyclable plastic
- Contents available in 100% recycled and 100% virgin material

Create your folded towel dispenser in 3 steps

1

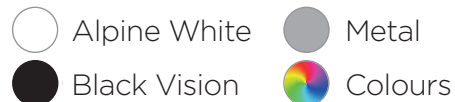

Pick your model

Which model appeals to you most? The Vision model offers you the option of matching the dispenser's colour to its surroundings. The classic Tradition model is an asset for any space.

2

Pick your colour

Which colour do you prefer? The Alpine White version of both models is deliverable from stock. The Metal or Black Vision versions of the Vision model are deliverable from stock as well. In addition, the Vision model is available in every desired RAL colour*.

3

Pick your folded towel

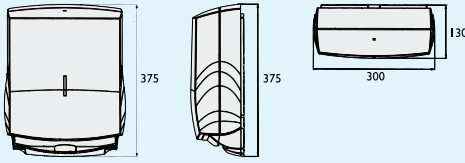

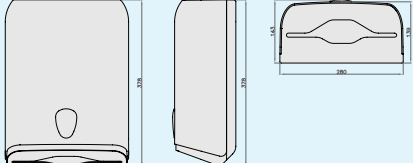

Both models allow for different types of content. You can choose between 100% recycled or virgin material. In addition, there is a variety of options for the way the towels are folded. Finally, you can choose between 1 or 2 ply tissue**.

* Please ask your contact person about the options and conditions

** Only available for the Tradition model.
