

IQ Toilet Seat Cleaner

- 🐟 100% circular
- 🐟 Simple and hygienic operation
- 🐟 Single dose is sufficient for one cleaning of the toilet seat

Meet the new dispenser for cleaning fluid for the toilet seat. Ideal for use in all toilet facilities. One pull on the dispenser provides users with the dose of fluid required for a hygienic cleaning of the toilet seat. This means every guest is guaranteed a hygienic toilet seat. The development took place on the basis of circularity: all the materials used can be used again as a raw material or be re-used. In addition to the standard colours, the dispenser is available in any colour, making it suitable for any toilet interior.

- Economic continuous system
- Single pull technique
- Vandalism-proof
- Skin-friendly cleaning fluid
- 100% recyclable fluid bottles
- Optical consumption indicator
- Handy manual
